A message from the CEO...

Dear Applicant,

Thank you for taking an interest in developing your career with Exceed Learning Partnership.

As a trust, we are passionate about improving the life chances of the children and families we serve.

When any of us choose to work in education, I think we do so for three major reasons; we want to make a difference and inspire others; we want to pass on our enthusiasm for learning to the next generation; and we believe that a good education is the greatest means of helping establish a fairer society where everyone has the opportunity to make the most of their lives.

When we created Exceed Learning Partnership in April 2017, we did so in order to improve the life chances of pupils in and around Doncaster - particularly the most disadvantaged pupils.

Having grown out of Edlington, the academies within the Trust have demonstrated that with the right provision, support and highest aspirations - all pupils can and will succeed. This is the ultimate goal within our Trust - making sure all our academies are exceptional places of learning where everyone is able to thrive.

In our Trust, we believe that colleagues need the freedom to develop and perform to the highest standards - dovetailed with leadership and support that comes from an organisation that is passionate about removing any barriers to outstanding teaching and learning.

We are delighted to welcome colleagues who share in our vision to help our academies to thrive. We support our staff in their learning, with the latest research and innovation, as well as contribute to their growth by sharing our experiences. All of us within Exceed Learning Partnership continue to grow our expertise so that we can make a difference to the lives of our pupils.

We look forward to meeting with you and warmly welcome you to visit our Trust and all our academies to find out more about the role and the difference you can make!

and National Leader of Education
