1. Our Ethos

Children within our Trust will always be our main priority, with personalised learning as our starting point, making the challenges of 'Helping Children Achieve More' a reality.

Every child will have the opportunities to expand their horizons, and build the confidence, talents, interests, skills and qualifications to succeed as they make their way towards a fulfilling and prosperous adulthood.

The amount of time children spend in education is finite. We have a responsibility to ensure every moment a child is in an Exceed Learning Partnership School, must be spent productively. Once wasted, it is gone forever and cannot be given back.

Every Child | Every Chance | Every Day

2. Our Vision

‘To equip young people with the knowledge, skills and mindset to thrive and then take on the world!’

We will achieve our vision by:

Every child developing...

- a greater understanding of themselves as a learner
- Recognition of what their strengths are
- How they can share their strengths with others
- An understanding of what steps they need to undertake for their continual learning journey

Pupils will be encouraged and inspired to believe in themselves, build dreams and aspirations and strive to achieve these.

At Exceed Learning Partnership we believe in social justice through exceptional schools, creating and sustaining the best schools in which to learn and work by pursuing social justice for all.

Every child will be given the same opportunity to succeed, whatever his or her prior attainment.

A key feature of the Exceed Learning Partnership will be a learning curriculum which builds the characteristics of Learning across all schools within the trust.

This will focus on our learning philosophy skills:

- Resilience
- Motivation
- Collaboration
- Creativity
- Investigation
- Teamwork
- Evaluation

10. Governance Roles

This section of the handbook provides a summary of each role within the Governance Structure.

10.1 Members

Members play a limited but crucial role in safeguarding Academy Trust governance. While they must ensure they do not stray into undertaking the Academy Directors' role, they should assure themselves that the governance of the Trust is effective, that Academy Directors are acting in accordance with the Trust's charitable object(s) and that they, the Members, use their powers to step in if governance is failing.

Members are the subscribers to the Memorandum and Articles of Association (the legal document which outlines the governance structure and how the Trust will operate). Members can amend the articles of association (including the objects clause), subject to any restrictions in the articles, the funding agreement or charity and company law.

The Members appoint Directors to the Board to ensure that the Trust's charitable objective is carried out and so are able to remove Directors if they fail to fulfil this responsibility.

They oversee the achievement of the Trust's objectives, acting as the 'conscience' and 'moral guardian' of the Trust's purpose and values. Members also oversee the performance of the Directors Board.

Members appoint the Academy Trust's auditors and will receive and review (but do not have to sign off) the Trust's annual audited accounts (subject to the Companies Act).

An Academy Trust must have at least three Members. At least the majority of Members should remain independent from the Trust Board. Nobody may be a Member, Director and a Local Governor.

10.2 Board of Directors

The Trust Board is the decision-making body of the Academy Trust and is accountable and responsible for all the academies equally.

The Board is the Academy Trust's key strategic decision maker. It may delegate certain responsibilities to the Executive Leader (in certain circumstances) and in accordance with the Academy Trust's scheme of delegation, a committee or an individual, but the Trust Board remains accountable and is responsible for all decisions made.

The Board should play a strategic role and avoid routine involvement in operational matters. They should focus strongly on holding Executive Leaders to account.

The Board has three core functions:

- Ensures clarity of vision, ethos and strategic direction
- Holds the CEO to account for the educational performance of the Trust's academies and their pupils, plus the performance management of staff
- Oversees the financial performance of the Trust and makes sure money is well spent
- The Board produces an annual report on the performance of the Trust for Members and for external publication.

10.3 Directors Committees

- Finance and Operations - This committee assists the Board in its on-going oversight of the Trust's arrangements for budgeting, financial planning, financial performance and financial reporting in respect of both revenue and capital activities and the associated resource planning.
- Audit and Risk - This committee assesses the scope and effectiveness of the systems established by management to identify, manage and monitor financial and non-financial risks to the company via the risk register. It also maintains an oversight of the Trust's governance, internal control, financial reporting and value for money frameworks in order to establish
- Pay and Performance Committee - This committee maintains an oversight of the Trust's approach to CEO and Executive Team remuneration and pay progression.

The Board can create additional Committees, Working Parties or Panels as required. The Board may remove delegations from any Committee, Working Party or Panel if required.

The Scheme of Delegation sets out the powers that the Committees may exercise on behalf of the Directors. The Scheme of Delegation is supported by Terms of Reference for each Committee.

10.4 Link Director

Where possible, one Director from the Board of Directors will be appointed as a Governor to an Academy Local Governing Body and will serve as a Governor and a Link Director. The idea is to have a director appointed to each Local Governing Body. The role of a Link Director is set out in appendices to this framework and is not to be confused with the role of a Link Governor.

10.5 Local Governing Boards

The Board of Directors delegate some of its responsibilities to the Local Governing Board for each of the Academies, however, Directors remain ultimately responsible for each Academy.

Directors are able to delegate additional responsibilities or remove responsibilities to meet changing circumstances.

- Maintaining awareness of pupil successes, news and events through the Trust and its academies communication channels.
- Celebrating the Trust/Academy's successes whether by congratulating pupils and staff or attending celebration events.

Securing the right balance between support and challenge is key. Without first building relationships, a supportive environment and showing positive commitment to the Trust, challenge will never truly be as effective as it should be. The Trust will support Directors in delivering this balance.

15.3 Asking the Right Questions

Whether you are a director questioning the Executive Management Team or a Local Governor asking questions of the Academy Leaders, this is the main way in which you will learn about the Trust.

Holding leaders to account and supporting them to reflect on their decisions is an important function of governance.

The minutes of meetings will also record the range and level of challenge in questions and this is important evidence that governance is being effective.

Those new to education or new to the Trust will understandably want to ask questions about the meaning of certain terms.

In turn, the CEO's reports should be clear and accessible to Directors as should Academy Leaders reports to Governors. It is important, however, that such questions do not feature too heavily in meetings.

When posing questions at meetings or on visits, Directors should consider the following:

- Does this question focus on impact? Directors will receive a lot of information about the work of the Trust and its academies, but their concern should be for outcomes, rather than process. Wherever possible, Executive Management Team should provide objective evidence of impact (for example by referring to the data in any report).

- Is this relevant to the agenda item? In order to keep meetings to time, and focused on the main priorities, questions need to be relevant.
- Does this question help to focus the Executive Management Team on an important aspect of what is being discussed? Directors should use their questions to guide the Trust’s thinking and attention towards key priorities.
- Is this question strategic? For example, “does the Academy use its lunch menus to support health and wellbeing or even the curriculum?” is a better question than “what is usually on the lunch menu?”
- Does this help the Board to understand what is being discussed?
- Has my question been answered? Do further questions arise from the answer? Where useful, Directors should ask follow-up questions either to clarify a response or to probe any new information.

This is the same process for Local Governors when posing questions to Academy Leaders in meetings or on visits.

16. Directors with additional Link Roles

Every Director has the opportunity to develop a greater understanding of the detailed workings of the Trust, with link roles allocated in the first meeting of the academic year.

The Board currently appoints three Directors to the following areas:

Safeguarding Link Director

It is the role of the Safeguarding Link Director to take a strategic overview of the MAT's safeguarding duties. The Safeguarding Director acts as the link between LGB'S and the Board of Directors reporting back to Directors on how the Safeguarding and Child Protection Policy is being implemented and how resources are used and/or required.

SEND Link Director

The SEND Link Director ensures processes and reporting arrangements are in place to maintain oversight of the procedures in place for each academy to maintain a focus on inclusive practice, as well as identifying and seeking to remove any barriers to learning; providing pupils with equal opportunities and full access to the curriculum in line with the Equality Act 2010. It is essential that pupils' attainment is at the forefront of any Trust's vision and ethos. The SEND and Vulnerable Pupil Link Director of a Trust should have due regard to their statutory duties relating to pupil premium and supporting disadvantaged and SEND pupils.

Health and Safety Link Director

The Health and Safety Link Director ensures processes and reporting arrangements are in place to maintain oversight of the procedures in place for each academy to ensure they are meeting health and safety legalities and guidance. The Link Director is responsible for checking policy and application of policy across the Trust ensuring the Trust is meeting all its statutory compliance duties and requirements whilst also ensuring resources are allocated accordingly to ensure all academies are compliant and maintain a health and safe school environment.
